Annual School Report.

The schools, during the past year, have exhibited a good degree of improvement. Three of our teachers, Miss Chase, Miss Sanborn and Miss Carter, have been with us several terms before, and we have found them as faithful and "up-to-date" in their schools as in former years.

Miss Holmes, who commenced teaching in her little school, has shown an aptitude for the school work. Her pupils were industrious and orderly, and we were pleased to find them doing so well.

In our schools there is too much tardiness and absence. Tardiness breaks in on the quiet of the schools, and absence retards the progress of the pupils. When a scholar falls behind his class he usually loses all ambition to learn; it can be no pleasure to him to remain in the school-room, and he will stay away if allowed to do so. The responsibility for these evils rests largely on the parents. One little boy has the honor of filling the "roll of honor for the year." We hope he will continue to be as brave in after years, and fill an honorable position.

Each of the pupils in town have presented us a sample of their drawing, which we appreciate very much. Perhaps, in after years they may become noted artists, but their work could not please us more than their little pictures, which we have had neatly bound, and shall carefully preserve.

Again we urge parents to visit the schools, that you may know for yourselves what work is being done. Such visits stimulate teachers and scholars to greater efforts.

ROLL OF HONOR.

Names of pupils not absent or tardy for the year:—Fred B. Rowell.

For three terms:—Mary N. Currier, Bertha M. Holmes, Marion L. Rowell, Walter H. Brown, William C. Currier and Charles A. Currier.

For two terms:—Lillian S. Kimball and John J. Brisbois.

For one term:—Clara E. Currier, Ida M. Bubier, Margaret S. Currier, R. Edward Munro, Philip N. Tilton, Albert C. Tilton, Ralph H. Buswell, George E. Kimball and Frank E. Holmes.

Respectfully, LAURA O. PHILBRICK.
